The Blue Door

Welcome to The Blue Door, a hidden gem in the heart of Arrowtown.

Tucked behind its unassuming blue entrance lies a cosy speakeasy-style bar, where stone walls and open fire create an atmosphere rich in history and mysteries.

Once a 19th-century cold storage room, today it's a warm and intimate hideaway, perfect for enjoying drinks and good company.

A Celebration of Meili

Meili is an artisanal Vodka created in Montana, USA by our good friend Jason Momoa & Blaine Halvorson. They set out to create a spirit that could compete with the sipping qualities of Bourbon & Scotch, while remaining true to the land.

Meili is crafted with water from a 300 million year old aquifier in Montana, which is rated as some of the purest in all the US. The water is their backbone.

The essence of Meili comes from the elements - Water, Air, Earth & Fire.
We have taken these elements and crafted a cocktail around each, truly showcasing this wonderful spirit.

Water **24**
Meili Vodka, Cocchi Americano, Orange Twist

Air **24**
Meili Vodka, Local Honey, Orange Bitters

Earth **24**
Meili Vodka, Triple Sec, Lime, Beetroot Cordial

Fire **24**
